Dear Parent / Carer

Online Safety

As part of your child's curriculum and the development of ICT skills, Evergreen Primary School is providing supervised access to the Internet. We believe that the effective use of the Internet and E-mail is worthwhile and is an essential skill for children as they grow up in the modern world. Please could you read the attached Rules for Responsible Internet Use and sign and return the consent form so that your child may use Internet at school.

Although there are concerns about pupils having access to undesirable materials, we have taken positive steps to reduce this risk in school. Our school Internet provider operates a filtering system that restricts access to inappropriate materials. This may not be the case at home and we can provide references to information on safe internet access if you wish.

Whilst every endeavour is made to ensure that suitable restrictions are placed on the ability of children to access inappropriate materials, the School cannot be held responsible for the nature or content of materials accessed through the internet. Evergreen Primary School will not be liable for any damages arising from your child's use of the Internet facilities.

Should you wish to discuss any aspect of Internet use please telephone me to arrange an appointment.

Yours faithfully

D Scurr
