Red 2

Red 2 have been engaging in lots of different Halloween and Autumn themed activities. The children loved dressing up and knocking on their friends' doors "Trick or Treating" and exploring pumpkins and Autumn leaves.

Green 2 went on a visit last week to a local Pumpkin Patch.

These opportunities are so valuable for the children to practice life skills, learn how to be in the community and to enjoy and explore the outdoors.

Parents Eve! Tuesday **Parent's Information Board** Don't forget... important news! Coming up: Trip - Monday Awards assembly

I'M WEARING PINK FOR BREAST CANCER NOW

Last week we “**WORE IT PINK**” in support of one of our lovely colleagues for Breast Cancer Awareness.

As a school we raised an amazing £250!! Thank you to everyone who participated.

WELL BEING

Autumn is a lovely time of year and Halloween and Bonfire Night are fast approaching. For some children this is their favourite time of year. Pumpkin picking, dressing up and going 'trick or treating' can be really fun. For others it's a very confusing time and can be overwhelming.

In school, we try to give pupils opportunities to experience and practice taking part these activities in a safe environment with extra support.

1. Three classes, Red 4, Red 3 and Green 2 have enjoyed Pumpkin Picking at Baydale Farm and seeing different types of pumpkins.
2. The whole school was given opportunities to dress up in Halloween costumes and bright colours for Diwali. Wearing different clothes can be tricky!
3. Classes took part in Trick or Treating by knocking on classroom doors and choosing a trick or a treat!

TIP = Blue pumpkins represent Autism Awareness, teal coloured pumpkins represent allergies and non edible treats.

Make Halloween fun for all

A teal pumpkin by your door lets trick-or-treaters know you have allergy-free treats.

A teal bucket signifies a person who can only receive allergy-free treats.

Find out more about the Teal Pumpkin Project at foodallergy.org.

A blue bucket helps promote awareness for trick-or-treaters with autism.
